Meet our team

Sililak Sourignavong

Sil's story is a remarkable one; she was born in Laos, grew up in Thailand, and her grandparents are Vietnamese! Thus, there is no one better placed to organise our special group departures to these countries! She has also travelled to these three destinations on many occasions, and gone further afield to explore China. Sil's favourite destinations in Asia to date are Hoi An, Vietnam, the Plain of Jars, Laos, and Krabi, Thailand. She has worked in the travel industry for more than a dozen years. Her combination of industry experience, first-hand knowledge of our region, and passion for travel and Southeast Asian cultures have all been put into constant use in her daily work with us.

Andrew Nakkan

Andrew first started travelling regularly to Asia when he was just 12 years old and despite a young age, he was attracted to the culture, food, shopping & the people. Andrew's travels have taken him numerous times to Singapore, Penang, Hong Kong, Cambodia, Vietnam, Thailand & more recently Laos. Overall Andrew says his favourite destination would have to be Thailand, so much so that he made the move and lived in Bangkok for 3 years!!

What our customers have to say?

"Travel Indochina were very professional and responded to the demands of a school tour. The tour itself ran superbly – both the Laos and Vietnam aspects were excellent and well-organised. Thank you again for a job well done."
Harvey World Travel St Ives, School Group Dec 05.

"Our guide was fabulous and so enthusiastic; he had the perfect manner for our group and organized additional outings like a sunset cruise, a cooking class and an imperial dress-up banquet in Hue. Please pass on my deepest gratitude to Travel Indochina – they are truly professional in every way – efficient, knowledgeable and very obliging. To please such a diverse group ALL the time was amazing."
Rosemary Ramage (Northholm Grammar Tour April 2006)
